## HIGHLIGHTS FROM BOARD MEETING 6<sup>th</sup> AUGUST

*Club subs will remain at its present rate for the 2019/2020 year. Notwithstanding the District levy rising by \$5 per person per annum, the Board decided that this increase could be absorbed by the contracts we have obtained.*

*Lions Dave and Phil have delivered two half-loads of firewood to people in need during July. This wood was generously donated by Nigel Morrison from his own supply of cut wood. Once the site has dried out, Nigel has invited us to cut more for delivery, for use next winter.*

*We are on-track in organising our Bingo evening for Friday 20<sup>th</sup> September. **Please note change of date from 13<sup>th</sup>.** More discussion on this at our next Dinner Meeting.*

*A financial workshop is to be run in Nelson on Sunday 6<sup>th</sup> October by Steve Bennett, the Multiple District Treasurer for NZ Lions. He will provide information about correct procedures for Administration and Charitable Trust (Projects) accounts. The Marlborough Zone is investigating running a bus over the Nelson and if you are interested in going, please contact Ian Cameron.*

*Guy Fawkes night will be celebrated at the Newton Farm on Friday 8<sup>th</sup> November. To keep place with the rising costs of fireworks, entry will now be \$5 per car. As usual, we will be collecting this money and handing out H & S information, running the sausage sizzle, looking after “guess the weight” and helping with organising the games.*

## HIGHLIGHTS FROM BOARD MEETING CONTINUED

*Daffodil Day collection will be on Friday 30<sup>th</sup> August and we will have the two sites again this year- outside the Health shop and outside the Four Square. Names of those able to assist will be taken at the Dinner Meeting.*

*A reminder that the Leo Quiz night at the Rai Tavern is happening on Saturday 24<sup>th</sup> August at 6:30pm. Teams of 4-6 and \$10 per person. We will be taking final numbers at our 20<sup>th</sup> August Dinner Meeting. Half of the proceeds will be donated to the School for their annual school camp and the other half to the Rural Support Trust towards community health in that area.*

*A reminder that the final meeting of the Thermette Club for this year will be on Sunday 25<sup>th</sup> August at the Newton Farm, Readers Road. The July one had to be cancelled because of the weather so here's hoping for fine weather on 25th.*

## VISIT OF PDG JOHN BENEFIELD

Past District Governor John Benefield has been our District's Lions Club International Fund (LCIF) coordinator for several years and is very well acquainted with the work of LCIF and the benefits that it has brought to all corners of the world.

We are fortunate that he and his wife Alison are coming to our dinner meeting on 19<sup>th</sup> November where he will talk about the work of the Fund. It is the first time for several years since he last visited our Club and we will be inviting other Clubs to visit on that evening.

## SENIOR LUNCHEON 31<sup>ST</sup> AUGUST

Saturday the 31<sup>st</sup> August is a date that the request of many Seniors in our Community will be responded to. It is the date when our Club will be hosting Seniors to a luncheon at Havelock Pavilion.

For many years we held a Christmas afternoon tea to which our Seniors were invited. This luncheon is a response to those who are missing the opportunity of meeting together in a convivial atmosphere.

They will be invited to come to the Pavilion at 12noon- thanks to Havelock School who have offered us the use of the Community/school bus without cost- we will pick them up and deliver them home afterwards.

The Pavilion will be open to any Lions who wish to help from 11:00am.

The menu will be a simple one and will include soups, bread rolls, cheese rolls and ham sandwiches with cakes and slices to follow with tea and coffee.

If you know someone who you think would enjoy coming, please extend an invitation to them. There is no charge

We need to know numbers by 20<sup>th</sup> August.
