HIGHLIGHTS FROM BOARD MEETING

5TH FEBRUARY 2019

Phil is doing a great job of refurbishing the Addie Barrar seat at Mahakipawa. Thanks Phil.

Our dilapidated "Lions" signs at the entrances to Havelock are shortly to be replaced with smart new ones. President Deb and Dave Farrant are working on this project.

We are having a Working Bee at the Lions Community Orchard (at the Domain) at 6pm on Wednesday 6th March. We won't be more than an hour on the tidying up and weeding we need to do- less if as many Club members as possible can turn up.

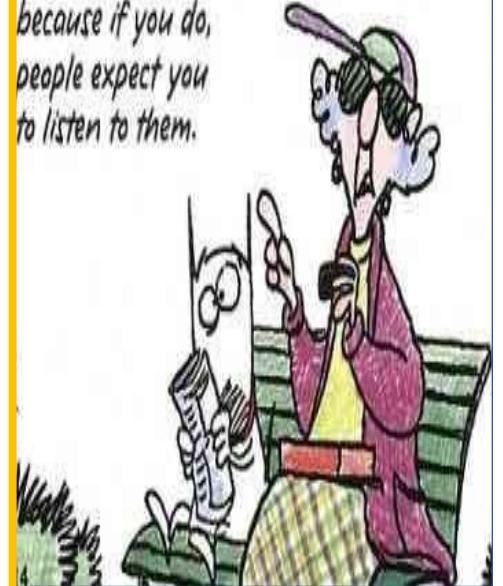

Rai A & P show: We have again been asked to supervise the gates at the Show on 2nd March. Debbie will prepare the roster and needs as many members and friends as possible to make it work. This contract brings funds into our Administrative account and subsidizes our subs.

Mussel Festival is on 16th March and again we have the contract to service the Corporate Tent. Debbie needs 8 members for this day. She will be passing round the roster at our dinner meeting.

Grape Ride: we have been asked to provide marshals for this event on 30th March. Dave Farrant needs 7 people- 2 at Linkwater and 5 around Mahakipawa Road.

February is the month when we look at the officers for our Club in 2019. Our elections will be in April. Nomination forms will be available at our dinner meeting on 19th February. Roles available are President, 1st and 2nd Vice Presidents, Secretary, Treasurer, Directors (4), Membership Committee Chair, Lion tamer, Bulletin Editor, Tail Twister. If you interested in any of these roles, experienced members would be willing to help you settle into the roles.

*Here's a tip as you get older:
Never wear a hearing aid,
because if you do,
people expect you
to listen to them.*

Recycling of Hearing Aids

Rob Buchanan is collecting hearing aids for use in the Pacific Islands.

Lions collect these aids and forward them to Rob and his team.

Address to: Rob Buchannan, 94 KeriKeri, N.Z.

Otherwise give them to Ally or Ian.

Unwanted Glasses.

*Also for the Pacific Islands.
Drop off place is the Havelock Medical Centre.*

HIGHLIGHTS FROM BOARD MEETING CONTINUED....

This year, for the first time, we elect 2 Trustees to serve on our Charitable Trust. Under the Deed, the Trustees will ballot as to which two of them will retire at the end of June, so we will also be seeking nominations to fill those two slots. (Of course, the two retiring Trustees can be re-elected.

Our Club is supporting the Havelock Birdsong Waiata Manu project to make Havelock predator free. Dave Farrant is our representative on their committee.

We are looking to do an environment clean of the foreshore around from Refuse Station, in conjunction with Blenheim School. Debbie will get more details regarding dates etc.

Our Club has been invited to be shown around the Outward-Bound facility and join the course participants for dinner. Ally is arranging the date. More details later.

Our Christmas cake project was very successful and well received by the recipients of the beautifully iced cakes. Many positive comments have been received. Thanks to Hazel for the preparation and icing and to Deb and Dave for delivering them in time for Christmas.
