## HIGHLIGHTS FROM BOARD MEETING 5<sup>th</sup> NOVEMBER

*We raised \$797 on Daffodil Day this year. Thanks to all who volunteered to be at one of our two collection points on a rather unpleasant day.*

*Christmas cakes have arrived, and the pile is slowly disappearing. The Boswells hold the present record of having sold ten cakes. Those who want to collect them at our Dinner Meeting at our Dinner Meeting on 19<sup>th</sup>, will be able to do so.*

*The Club is again giving “mini” Christmas cakes to the elderly in our Community this year. Hazel has the cakes ready to start decorating them ready for delivery on 1<sup>st</sup> December.*

*The second of the Linkwater monthly market was held on 2<sup>nd</sup> November and proved to be as popular as the first one, with ten stallholders present. Anne runs the Lion’s stall, and apart from that we are allowed to run a raffle and, in return for promoting the Market, we have been given the stall fees for our project account. Thanks Mary Anne and Jane Tito.*

*Talking of markets, our Lion market will be held on Saturday 30<sup>th</sup> November in our usual spot outside the Town Hall. Let’s hope the weather is a bit kinder to us than it was in October!*

*More details coming at our November Dinner Meeting about our Christmas celebration which is being held at the Newton Farm on Saturday 14<sup>th</sup> December.*

*Our volunteer firemen think it a good idea to have a sausage sizzle at the Station after the Food Bank collection on 25<sup>th</sup> November. So we all meet up at 6pm, do the collection around the streets of Havelock and then end up at the Fire station for a good old sausage about 7:30pm. It is quite a fun night and the more Lions who can come along, the more fun the night becomes.*

*Siobhan has reported that the Leo meetings have been changed to a Friday after school meeting. After they have held their meeting, the Leos will organise after-school activities for students. Last week they taught Kade how to make pikelets. Kade is a Lions’ Exchange student who will be travelling to Japan in December.*

## HAVELOCK WISPERS...

I as your bulletin editor and a fellow lion have a wee whisper to share with you all.

One of our own has plans brewing that will bring a positive light to our little community, in the way of being a great new place to come and enjoy some "old school kiwi tucker" and also enjoy browsing some interesting, what we call "Deco destruction"

Keep you eyes out on the Main Road for upcoming changes at the end of this month. 😊

## UPDATE: ROBBIE PARKES APPEAL

Diane Parkes reports that the Charity Auction held on 30<sup>th</sup> October raised \$9300 so they are very close to the amount needed to purchase the Diabetes sensing dog.

There is to be a quiz/auction night on the 29th of November at the Woodbourne tavern as they still have donated items that couldn't be fitted into the Charity Auction.

The funds raised from this event will go towards getting Robbie to Australia near the end of the pup's training.

How about us making up a group to support this worthy cause at the "Woody"
