HAVELOCK HEALTH EXPO

Havelock Lions combined with Havelock Vision 2020 Charitable Trust to organise Havelock's second Health Expo, held over the weekend of 6th and 7th October.

Twenty- six Health related organisations took up the offer to attend and display their information, ranging from Farewell Trust, who came complete with budget coffin to the Diabetes Marlborough team. Diabetes Marlborough encouraged visitors to complete their survey form and were able to identify people who needed to follow up with further confirmation.

Our Club is very grateful to Havelock Menzshed for their great assistance in erecting the stands and for taking them down on the Friday. Exhibitors remarked how good the set-up was. Complimentary tea and coffee and President Debbie's currant scones and cheese puffs also impressed them!

HIGHLIGHTS FROM BOARD MEETING

2nd OCTOBER 2018

It was good to have Anne Boddy back at the Board table for our October meeting and we are looking forward to Past President Ally being able to join us again when Rich's healing is completed.

A reminder that our project to refurbish the Barrer memorial seat at Mahakipawa is planned to take place on 6th November. More details as we know how cooperative the weather will be then.

Our first Market of the season will be held outside the Town Hall on Saturday 27th October. Names of those who are willing to help will be collected at our dinner meeting.

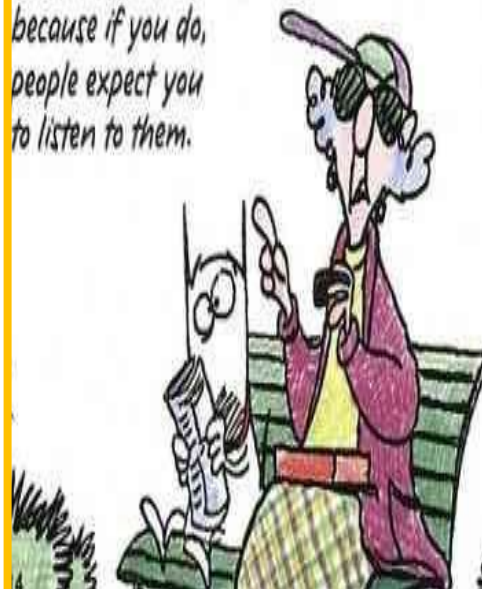

It has been decided that we have some people with very interesting life histories in our Club and that we should endeavour to have one of our own members speak at a dinner meeting once every three months. This month Phil Thomas has agreed to be our speaker.

The Board has decided that we will purchase the Ernest Adams Fruit cakes this year and members will be asked at the Dinner Meeting as to how many cakes are wanted. This will be a good fund raiser for the Club as we pay \$13 for them and the recommended retail price for each cake is \$20.

The Club is again donating \$100 to the Christchurch Cancer Shuttle appeal. This appeal is organised by Motueka Lions Club. The shuttle solely transports patients daily from their accommodation in Daffodil House and Daffodil Lodge to receive their treatment of radiotherapy and chemotherapy at Christchurch Hospital, 15000.00 transfers last year. These patients mainly coming from Kaikoura Marlborough, Nelson, Tasman, Golden Bay, Buller, West Coast, Mid Canterbury and South Canterbury. The work load for the shuttle has not eased and annual costing of \$60.000.00 is very similar from year to year. Our contribution last year virtually covered the annual fuel cost reducing the load considerably.

The Board resolved to again contribute to Lions Club International Foundation (LCIF) based on \$10 per member. Our Thermette picnic at the Newton Farm on 30th September was a very pleasant afternoon. The weather was kind to us and we got to see some vintage Thermettes. The Board resolved to accept Muff's kind invitation to make this an annual event.

*Here's a tip as you get older:
Never wear a hearing aid,
because if you do,
people expect you
to listen to them.*

Recycling of Hearing Aids

Rob Buchanan is collecting hearing aids for use in the Pacific Islands.

Lions collect these aids and forward them to Rob and his team.

Address to: Rob Buchannan, 94 KeriKeri, N.Z.

Otherwise give them to Ally or Ian.

Unwanted Glasses.

*Also for the Pacific Islands.
Drop off place is the Havelock Medical Centre.*

CHEESE ROLL MAKING

It all started from a meeting of the Membership Committee when Chair Colin Arlidge suggested the Club made Cheese Rolls as a group activity where members could enjoy a morning making them and build up Club funds at the same time.

The idea was adopted by the Club and the decision was made to make 50 dozen rolls. New World Blenheim generously sponsored some of the ingredients and Carol Boswell obtained for 100 plastic bags to be donated.

The Town Hall's kitchen became the Cheese Roll making factory where we were all allocated our duties. However, obviously people in Pelorus also enjoy Cheese Rolls as we received orders for 65 dozen. Thanks to Hazel for finishing off making the remaining orders during the week.

The exercise was enjoyed by all and it was a fun morning, however there was a sudden silence in the room when Colin suggested we make it a quarterly exercise!

L to R: Kay Thomas, Colin Arlidge, Carol Boswell and Nicola Farrant display the finished product.
