

SEPTEMBER 2018

Havelock Lions News Letter

ANNUAL LEO DAY

Sunday 9th September saw 15 Leos from Marlborough Girls College, Boys College and Rai Valley Area School descend on Havelock Domain for their annual get together.

The event began with a general discussion around a proposal to raise funds for the 2019 Kiwi Ranch Camp for diabetic children. After several suggestions were discussed, general agreement was reached that they would work towards holding a mufti day at all colleges at the beginning of 2019.

Lunch was next on the agenda and thanks to Jan Osborne for providing Tomato and Cream of Chicken soup and rolls and to Hazel Booth for a tray of sandwiches. Also, Brian Cameron, Dave Farrant and Colin Arlidge put the Community Barbecue to good use and the sausage sizzle was popular.

The serious event of competing for the annual trophy then began. Thanks to Loraine Barsanti and her Petanque team for providing gear, coaching and judging, Deb Healy for her Kubb set and Siobhan Skinner who organised this part of the day. A play-off was necessary to separate the top two teams, but Rai just pipped a Marlborough Girls College team to take home the trophy.

The annual combined Leo get together.

CALENDAR OF UPCOMING EVENTS

AUGUST TO OCTOBER

September

*Sunday 30th Cheese Roll Project, 11am Town Hall Kitchen,

or into our Admin account 031355 076 1022 00.*

*Lions Tee Shirts are on offer for \$42 with Lions Logo, order yours now from
Anne 574 2394*

HIGHLIGHTS FROM BOARD MEETING

4th SEPTEMBER 2018

Our thoughts are with Anne and Ron Boddy and Rich and Ally Morriss with the health issues that are troubling them. We wish them a speedy return to good health.

Our Cheese Roll project will take place on Sunday 30th September at 11:00am. The Town Hall kitchen has been booked and supply of the ingredients is being sourced. A board will go around at the Dinner Meeting asking for those who are available to help.

Our Thermette picnic will be held at Muff and Paul's Farm, Newtown at 2pm, following our Cheese roll making. Even if you cannot come in the morning, we hope you and friends are able to come to the Farm. Muff and Paul have kindly agreed to us having a small fire on the beach, so sausages and damper will be on the menu!

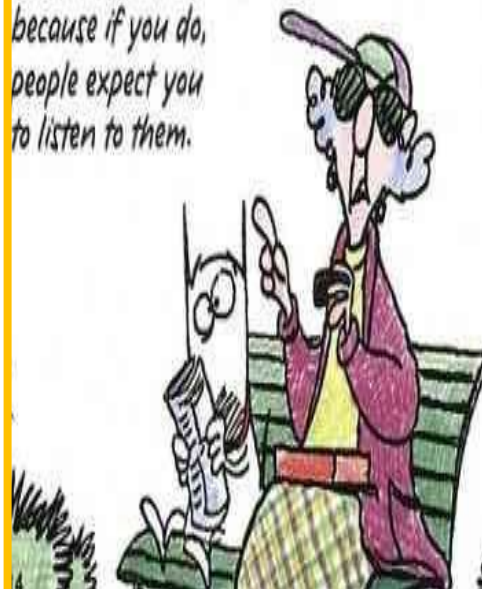

The Havelock Health Expo is on track for the weekend of 6th and 7th October. Our role is mainly setting up the Hall on the Friday, with the partitions to be erected and taking them down on Sunday afternoon at 3pm. However, any Lion who has time to come during the Expo – and perhaps do some recruiting for Lions- will be usefully employed. We will be collecting spectacles and hearing aids and it would be helpful to explain to the visitors what we do with them.

The combined Leo meeting took place on Sunday 9th September at Havelock Domain. Mike Blair, President of Diabetes Marlborough joined them for their meeting at 11:30am. The Leos are looking at a combined project.

The Board are considering selling the Ernest Adams Christmas cakes this year. The minimum order is a carton of 6 fruit cakes (\$13) and the recommended retail price for each cake is \$20. Please advise at the Dinner Meeting how many cakes you will sell. The Board will then know how many cartons to order.

The Club has made its annual donation to the Lloyd Morgan Lions Club Charitable Trust of \$210, that is \$10 per member.

*Here's a tip as you get older:
Never wear a hearing aid,
because if you do,
people expect you
to listen to them.*

Recycling of Hearing Aids

Rob Buchanan is collecting hearing aids for use in the Pacific Islands.

Lions collect these aids and forward them to Rob and his team.

Address to: Rob Buchannan, 94 KeriKeri, N.Z.

Otherwise give them to Ally or Ian.

Unwanted Glasses.

*Also for the Pacific Islands.
Drop off place is the Havelock Medical Centre.*

TOGETHER, WE CAN STOP DIABETES IN ITS TRACKS.

(From the Lions Website)

LCI has partnered with the International Diabetes Federation to make fighting diabetes, one of the world's most widespread diseases, a top priority for 2018.

As we count down to World Diabetes Day on November 14, 2018. Please travel on our Diabetes Service Journey website for fun ways to get engaged and learn about the diseases' impact.
