# FROM OUR PRESEDENT ALLY'S PEN TO YOU...

*Hi All,*

*After those hard frosts, we look to this month as August usually showing the first signs of spring and lovely sunny calm days so something good to look forward to.*

*What a fun July Dinner meeting we had, so many put 100% effort into dressing up so they were hardly recognisable. A good night too with our first visit to the Captains Daughter, which made a nice change as quieter, making being heard easier and warmer upstairs.*

*Thanks to those who took part in making Lunches for Havelock Vision 2020 for the Earthquake Victims and Volunteers of Kekerengu, Ward and Seddon who enjoyed the lunches on the boat taking them out on a sunny calm day on Queen Charlotte Sound.*

*Thanks to Raywin, Anne, Nicola, Dave and Debbie for your efforts especially Raywin who presented the lunches so attractively. The feed-back was very good.*

*We have a lull this month in fundraising while the next project ideas are worked on, then once people are in town we will look to see the best times for Market Days.*

*It is excellent that 9 members are going to the Lions training session on 13<sup>th</sup> August.*

*The Community BBQ Project for the Domain by the Pavilion will be awaiting a concrete pad to sit on and be bolted to once the ground dries out.*

*Our Outward-Bound recipient William has now finished his "Mind Body and Soul" course and will give a short talk on his experiences soon. We are now seeking our next recipient from a local High School for students from Pelorus areas or who may go to other Colleges in Rai Valley, Picton or Blenheim Girls and Boys, who do live in this area to put their names forward.*

*See email re. Wine Barrels and Polo/T Shirts. Wine Barrels are offered to members first before being sold to the public so contact Anne ½ a barrel is \$50 or a whole barrel for \$80 to members, 3 have sold so only 7 left to go. Email going out for those and the new shirts with the Havelock Lions monogram on for \$42 Contact Anne if you are interested as these will look good at Lions events.*

*Next Dinner Meeting to be held at the Captains Daughter for a good time out along with our local girl Lorraine Day as speaker.*

*Please make sure you let Ian know your meal chose early as possible, as that helps the restaurant order its supplies on Sunday evening.*

*THANK YOU to Ronnie Boddy for all your care of the Edible Orchard, positioned behind the boat sheds where tents and campers fit between. Ron has staked them, putting in stays to support the trees before and after the pruning man came, he has put in a lot of time caring for them for roughly 3 years. We do appreciate the time given by Ron and they do look good for his care. This project has been ongoing for several years and still ongoing, in future we must make sure "Projects" don't run over like this one was organised*
